

WDI TRIM KITS

An Installation System brought to you by WDI Company.

WDI's revolutionary trim kit system effectively eliminates all uncertainties and hassles derived through on-site D.I.Y. trim work, while keeping both the installer and home owner at the heart of our service.

WDI Trim Kits are custom manufactured with factory precision to fit any window or door opening. Kits are ordered to specification and delivered fully-assembled & pre-finished; 100% ready for installation.

Dream. Design. Manufacture.
